**Jungle Fighting Jack Tenrec™**  
New

Jungle Fighting Jack Tenrec comes attired ready for battle against the Poachers. Jack must fight these villains in order to stop them from killing dinosaurs and destroying the farmers' villages. He's packed with his powerful Harpoon Bolo with attached Land Mine, the perfect weapon for ambushing a mob of evil Poachers.

**New**

**Mustapha Cairo™**  
New

Mustapha Cairo is Jack's chief engineer and best friend. When Jack is in trouble, it's Mustapha to the rescue with his powerful weapon, the Mustapha Blaster. Mustapha and Jack have been in many tight situations together, and in one battle Mustapha lost his leg — he now has a mechanical leg which hasn't slowed him down one step. Mustapha comes packed with his Mustapha Blaster weapon and missile, as well as his Wrench Weapon.

**Jack "Cadillac" Tenrec™**  
New

Jack is part scholar, part shaman and all hero. Jack can be seen freeing animals from traps and spends his time fighting hunters and poachers led by "Hammer" Terhune. Jack can also be found inside his amazing high-tech Garage that is fueled by volcanic power. He restores ancient machines, his favorite being his classic 1953 Eldorado Cadillac convertible. Jack is outfitted in rugged attire and is packed with his trusted weapon, the Nitro Express, along with 2 Nitro missiles for extra firepower.

**Hannah Dundee™**  
New

Hannah Dundee is a scientist and diplomat from the nearby city of Wassoon. She's been sent to the City In The Sea to set up trade relations. Realizing that there's a corrupt government and evil renegades, she teams up with Jack Tenrec to do battle. Hannah is also quite a warrior, and she'll do battle against anyone who attempts to harm science and nature. She comes packed with her Double Shot Cross Bow Weapon and Missile.

**Hermes™**  
New

This Deinonychus (a smaller version of T-Rex) is Jack Tenrec's pet and the watchdog over his Garage. Hermes is packed with Razor Back Armor and Spikes to aid Jack in his battles and in protecting the Garage from intruders.

**Vice Terhune™**  
New

Vice Terhune is Hammer's brother and first lieutenant. Vice doesn't have Hammer's strength or cruelty, but he's scheming and ambitious and wants to secretly supplant Hammer as the leader of the Poachers. Outfitted in the buckskin of a slain dinosaur, Vice is evil-looking with his trademark face paint. He comes packed with his patented Harpoon Launcher Weapon and Missile, along with a Dino Buzz Saw for cutting up the bones of slain dinosaurs.

**Hammer Terhune™**  
New

This gigantic man is the leader of the Poachers, the most ruthless and dreaded renegades in civilization. This brutal band of killers traps and kills animals for both pleasure and profit. And they'd love to destroy Jack Tenrec and The Old Blood Mechanics! Outfitted in camouflage gear, Hammer looks extremely scary with the trademark face paint of all Poachers. He is packed with his Hammer Slammer Weapon and Missile, along with his Dino Trap for killing dinosaurs.

**The Zeke™**  
New

The Zeke (or Quetzalcoatlus) has been domesticated to use as a message carrier between the villages. It is packed with a Message Carrying Backpack that holds 2 Secret Scrolls and a Special Decoder for analyzing secret messages. If attacked, it also has a Log Launcher which can drop 2 log bombs on the evil Poachers below.

# JACK TENREC'S GARAGE PLAYSET

**Jack Tenrec's Garage Playset** *New*  
**No. 1337** *New*

The Garage is Jack's ultimate command center and repair shop, and in times of attack, it serves as a solid fortress.

When the Garage is attacked, the gun door swivels open to reveal an awesome rapid-fire Missile Launcher. The Lava Rock Thrower sends lava boulders crashing down onto the evil Poachers. The Net Launcher that fires a trap to snare the villains. The Breakaway Wall is the one place where a charging dinosaur could crash into the Garage.

The inside of the Playset reveals mechanical hoses, a prison to hold Poachers captive, and a chain ladder leading to the command tower. The Playset holds several figures and a vehicle for nonstop fighting action. Figures and vehicles sold separately.

## Cadillacs & Dinosaurs™ Small Vehicle Assortment

No. 1307 **New**

### Jack Tenrec's Glider

When the terrain is too risky for a wheeled vehicle or when he wants to sneak up and ambush a band of Poachers, Jack uses his Glider. It's a kid-powered vehicle that holds one figure. The wings can be positioned in either the glide mode or aggressive attack mode. Depressing the button on top of the Glider activates spring-loaded claws that carry and release rock bombs on the Poachers below. When not carrying rock bombs, the Glider can fly low, pick up a figure and fly it to safety. Figures sold separately.

### Hammer's Tribike™

The Terhune brothers wreak havoc in the Tribike. It's a free-wheeling vehicle that holds 2 figures—1 driving and 1 standing. Depress the button on top of the vehicle to release a Harpoon Missile from the launcher. The Tribike comes with 5 missiles: 2 are stored in the rear bin for easy access, 1 is shot from the Missile Launcher and 2 double as Rear Wheel Tire Slashers that can be pulled out and fired from the launcher. There is also a Dino Skull Ornament—a trophy from one of Hammer Terhune's dinosaur hunts. Figures sold separately.
