Harness the Power of Dinosaurs

DINO RIDERS™

It's 65 million B.C. The last survivors of a distant planet have escaped to Earth, pursued by the Evil Rulons.

Dinosaur fever has hit, and Tyco is responding with Dino-Riders. It is the perfect marriage of the two dominant fantasies of kid's play. The future. And the past. Harness the Power.™

**Dino-Riders Diplodocus
with Questar
Mind-Zei and Aries
and Full Battle Accessories
No. 9150**

Authentic 1/24th scale Dino-Rider Diplodocus is a walking fortress. Questar, the leader, controls four neck cluster rockets and two laser tail guns. Aries and Mind-Zei spring into battle from the hidden armed battle pods.

(One C battery required/not included)

“The dinosaur rage must be likened to the process of spontaneous combustion.”

—Merrill Lynch

**Dino-Riders Torosaurus
with Gunnur and Magnus
and Full Battle Accessories**
No. 9141

Authentic 1/24th scale Torosaurus is a super-armed battering ram. His hidden laser cannons and powerful dinosaur trippers make him a worthy opponent of Tyrannosaurus Rex. Dino-Riders Gunnur and Magnus control hidden flip-up laser cannon pods from twin rotating command modules.

<p>Grappling hook and winch pull down Rulon defenses</p>	<p>Heavily armored and studded with laser cannons</p>	<p>Battering Ram head and Automatic Dinosaur Trippers</p>	<p>Flip-open armor reveals flashing laser cannons</p>	<p>Gunnur and Magnus figures lead Torosaurus into battle</p>
<p>Museum quality replica</p>	<p>Real synchronized head movement</p>	<p>Motorized WALKING Action</p>		<p>Fully accessorized and ready for battle</p>

(One C, one AA battery required/not included.)
